OET test preparation

We have collaborated with the Intensive English Language Institute (IELI) at Flinders University to promote their suite of OET preparation lessons. IELI is endorsed by OET as a Premium Preparation Provider, meaning you can have full confidence that the course is a sound investment in yourself. This OET preparation course offers skill development, practice tests, and individual feedback to help you understand the test and be successful.

Visit the IELI website for more information on course details and fees, student reviews and how to apply. https://ieli.sa.edu.au/english-for-health-and-oet-preparation/
